African Safari, the way it's meant to be

INTRODUCTION

Thank you for your interest in hunting with Omujeve Hunting Safaris.

We are based in Namibia on the South Western coastline of Africa. Known as the land of endless horizons Namibia has the second lowest population density in the world after Mongolia, with only 2.5 million inhabitants.

Namibia is truly a spectacular experience, from the mountainous red dunes of Sossusvlei, the stark and perilous Skeleton Coast, the moonscapes of Spitzkoppe, the incredible wildlife viewing in Etosha, the deep valleys of Fish River Canyon, the endless starry skies, the blazing African sunsets, friendly locals and seriously delicious food.

Omujeve Hunting Safaris has three unique lodges and free range concessions. Omujeve Lodge, a 45-minute (60km) drive from Windhoek, Namibia’s capital, is the headquarters of our operation. Our southern facility, Schonbrunn Farmstead Lodge, is about 230km (four hours’ drive) southwest of Windhoek, close to the famous Sossusvlei dunes in the Namib-Naukluft National Park. The Kwando River system is noted for its wildlife, and it’s the location of Ivory Camp, offering five canvas-lined chalets and en-suite bathrooms.

The comfort and entertainment of guests is our priority. Please contact me if there is anything at all I can help with.
